### [PnwPranicHealing.com](http://PnwPranicHealing.com) Website Launched!

The Pacific Northwest Pranic Healers now have our own website for this region. Check it out at [pnwpranichealing.com](http://pnwpranichealing.com). It's a great resource for people who are new to pranic healing, as well as our local community of healers. We have a healer directory, and if you're an Associate Certified Pranic Healer, or higher, and would like to be included in the directory, please contact Linda Negrin ([linda@avalonspiritualcenter.com](mailto:linda@avalonspiritualcenter.com)).

### Seeking Testimonials

If you, or someone you've worked on, has a testimonial about how Pranic Healing has been a benefit to you, we want to hear it! We're collecting testimonials to put on the website, so check it out and see the types of stories we have for an example. To submit a testimonial, send it via email to [linda@avalonspiritualcenter.com](mailto:linda@avalonspiritualcenter.com) and include a photo if you're willing.

### Master Co teaches Kriyashakti and Feng Shui in LA in July

Material abundance gives you freedom to pursue spiritual goals. Kriyashakti teaches you how to properly harness the power of your thoughts, subtle energies and your auric field to create a life of prosperity and success both materially as well as spiritually. GrandMaster Choa Kok Sui has revealed the secrets of Feng Shui never before divulged to the general public. In addition to direct knowledge given by his Teacher, Mahaguruji Mei Ling, GrandMaster Choa enlisted

the help of countless clairvoyants to observe the energies of different directions and formations and how they affect your health, wealth and spirituality.

### Service to Pranic Healing through Tithing

First, we would like to thank everyone who is making donations to the Portland Pranic Healing Center (PPHC) and the OWPF Pranic Healing Scholarship funds (which covers clinic rent before providing scholarships) We now have about \$3,500 in the PPHC bank account and getting closer to our goal of a Healing Center in the Portland area!

### New Bill Pay procedure

Second, now that people are finally and successfully using their bank's bill pay to automatically and directly deposit donations into the PPHC account, we need to change how you are depositing these monies. Instead of sending the PPHC donations to the 'Washington Mutual Bank' at a branch address, it is necessary that people change the bill pay name to either 'Portland Pranic Healing Center', or 'OWPF Pranic Healing Scholarship Fund' and address the check to Louise Gilman, our Treasurer, at her address, below.

### For People Who Have Previously Made Successful Bill Pay Donations

For those people who have previously made successful bill pay donations, because the bank records do not identify who you are, could you please email Louise Gilman or call her with dates, amounts, name, address, and phone number for my records. You may also indicate if you would like receipts for your wonderful donations!

### Check donations procedure same as before

Check donations may be given to Andrea or sent directly to Louise at her address, below. Checks may be made out to the "Portland Pranic Healing Center" or "OWPF Pranic Healing Scholarship Fund." Thank you for your contributions!

Note: All donations are deposited into one of two bank accounts as designated by the donor, of a 501C3 tax-exempt charity (EIN # 93-1316007) called the One World Peace Foundation (OWPF). One bank account is used for clinic rents and scholarships ("OWPF Pranic Healing Scholarship Fund"), and the other bank account is used for the "Portland Pranic Healing Center." Using tax-exempt bank accounts allows pranic healing donations to be taken as tax deductions on IRS tax returns.

### Tip of the Month

At the end of the day, it's helpful to cut cords and general sweep ourselves before going to bed. To make the process really quick and simple try this: Keep some salt in a cup in the bathroom. After you finish your evening bathroom routine, put a handful of salt into your toilet bowl, cut your cords, general sweep yourself over the toilet bowl, flush the bowl, wash your hands and you're off to bed! (You can also sweep spouses and kids over the same bowl, and everyone's sure to get a good night's rest.)
