August 15 Multnomah Days Parade — Founders' Day Picnic — Kriyashakti Group

PARADE

Pranic Healers will be marching in the Multnomah Day's Parade again this year! Come join us from 10—11 am while we hand out literature about the benefits of Pranic Healing to the crowds lining the parade route! We'll have a booth in Multnomah Village for afterwards, and have a lot of fun talking with the public about what we know best: the benefits of Pranic Healing!

PICNIC

After the Parade, around 2:00, we head over to Susan's place in East County for our Annual Founder's Day Summer Picnic—and you know where there are Pranic Healers, there is GOOD FOOD! Our vegetarian potlucks are the best! Come on over for some rest and relaxation, meet some new people, and catch up with old friends.

KRIYASHAKTI

As the day winds to a close, the Kriyashakti graduates will gather together and practice on the most special and powerful day of the year, Grandmaster Choa's birthday. The group energy will be extra strong on this day, so bring your individual projects, we'll work on a group intention for manifestation, and feel the energy flow!

Pranic Home-Stay

Wonderful news!!! Master Co will be in Portland, OR from August 21st through 23rd to teach Kriyashakti and Pranic Feng Shui.

To help lighten the costs for out of town travelers and to increase camaraderie and foster friendships, Portland Pranic Healers have initiated a Home-Stay program. We are offering those of you traveling to Portland for the class/classes the opportunity to stay with a local Pranic Healer. It's great to have a like-minded individual to compare notes, discuss the class, share tips for Pranic Healing, etc.

Pranic Healers interested in hosting anyone in your home (even if you are not taking the class), or anyone traveling to Portland for the classes wishing to participate in our home-stay, please call Linda Merrick at (503) 659-7463 or email her at Linda.Merrick@harlandfs.com.

Please list **Pranic Home-Stay** in the subject line of the email so that it will not automatically be deleted. Looking forward to sharing an enlightening and fun experience with you all!

GrandMaster Choa Kok Sui has revealed the secrets of Feng Shui never before divulged to the general public. In addition to direct knowledge given by his Teacher, Mahaguruji Mei Ling, GrandMaster Choa enlisted the help of countless clairvoyants to observe the energies of different directions and formations and how they affect your health, wealth and spirituality.

- Secret *Directional Feng Shui*. Know the *exact* origination points on the compass of Prosperity Energies and Spiritual Energies. These Directional energies are not dependent on one's birthday or calendar.
- Use your hands to scan for prosperity and health giving energies. Feel how the different directions are affecting your finances. You will scan your wallets and checkbooks to validate the teachings. No other Feng Shui course does this!
- Harness the optimum direction in the workplace to charge your finances and business ventures with Prosperity Energies.
- Use the proper pictures, colors and ornaments to display on your walls. This will create prosperity consciousness in the occupants instantly!
- Plus much more...
